Mr Johnson 1755 Sleepy Hollow Lane, was notified of her mothers death. This woman has only been in the employ of Mr Bingham, since Monday Nov 4th - she has worked for several familys in the city, and her mailing address is 754 Webster Place, The fire was discovered by the Chauffuer Arthur Nash who was asleep on the third floor, and was awakened by smell of smoke, he immediatly awakened Mr and Mrs Bingham and then tried to carry Bertha Bailey down stairs, she being partly over come by smoke, and due to her weight he was unable to do so, leaving her in her room, he barely escaped him self, fire gained such head way and heat was so intense, when fire men arrived it was impossible to get in the house, a dog in home was so badly burned that it was necessary to shoot it.

In my opinion there is nothing suspicious about the fire, it apparently Started in the Sun Parlor, from either a cigarette or a defective Radio, after fire was out I went into house with Mr Bingham son Hartley and Arthur Nash, they removed money and Jewelry, I assigned Patm Henze to gaurd House.

At 7.58 A.M., Capt. J.M. Brown, Sgt P.J. Murray and Officer M. Santonastaso investigated Leo Cavanaugh age 28 of 735 E. 7th St., and a printer employed at the Sabbath Tract., who was lying on the front seat of his car on his back, with his head toward the right side of the car and his feet hanging out of left side.

According to Mr. Ira Vail who lives in the apartment above Cavanaugh, he went to the garage to get his car, opened the both garage doors and discovered Cavanaugh lying on the front seat with the motor of the car running. He immediately summoned the police.

The above officers arrived at the scene and Sgt. P.J. Murray summoned the fire dept rescue squad and the ambulance.

Rescue squad arrived with Chief Dunn and Deputy Chief Adams and administered one tank of oxygen. Cavanaugh was breathing heavily when the firemen arrived.

Ambulance in charge of Dr Nevius removed Cavanaugh to the hospital who was still unconscious.

Sgt. Murray learned from neighbors that Cavanaugh and his wife arrived home about 4 A.M. this morning and that Cavanaugh carried his wife, who is crippled into the house, then went out to put the car in the garage and no doubt fell asleep.

He had an alcoholic breath according to Sgt. Murray.

I hereby report that at 7.15 P.M. on Alarm #172 we went to the home of Mr. Donato, 222 Morris St, to investigate an accident. Maury Donato, age 16 yrs. the son, stated that he was riding his bicycle on W. 3rd. St., at Prescott Pl. when he was struck in the rear by an automobile and knocked under the same.

The driver of this car, an elderly man, about 5'-6", wearing glasses and a mustache, stopped and helped the boy from under the car, asking him if he felt alright. The boy told this man that he felt alright and the man told him to wait on the corner for a minute until he moved his car from the middle of the street. He got into his car and drove off without further notice.

The boy did not get the registration of the car but stated it was a 1932 black, Ford Sedan

We inquired in the vicinity of the accident but were unable to get any further information. The boy did not seem to be injured sufficiently to require medical attention but he did complain of the muscles in his leg feeling sore.

Dr. C. S. Malatesta called Chief Leach at 9.15 A.M. and stated that he had been just called to examine a man at Trusel Court; 326 Central Ave. City. He found Emil Hansen; age 59, manager of Trusel Court, seated in the back of his car in his garage, He pronounced him dead from carbon monoxide gas poisoning. I examined the car found that a rubber hose had been placed from the exhaust pipe of the Hansen car, around the bumper and through the trunk compartment; to the rear seat, all windows in the car were closed, and the switch still turned on, although the motor had stalled.

I learned that Miss Alice Burke an employee of Trusel Court, had first noticed Mr Hansen in the car about 9 A.M. and notified Mrs. Adelaide Martin, assistant to Mr Hansen who in turn notified Dr Malatesta. I had officer Cottle notify the County Physician, who gave permission to remove the body to Higgins Funeral Home.

I hear by report at 12.10 am fire alarm was sent in by telephone, for a fire in the cellar of a 2½ story stucco 2 family house, located at 445 Brookside Place.

This building is owned by Eygene Meyer who who occupies the ground floor with his wife and child.

Mr & Mrs Morris Albert and 3 daughters occupy the 2nd floor.

The fire was confined to the cellar, damaging the coal bin, and several floor beams.

Fire Chief Dunn told me it was caused by hot ashes from a pot stove, which was put in a wooden basket, near the coal bin.

Fire was discovered by Mr & Mrs Meyer when they detected a smoke odor, while they were eating in the kitchen-

Mr Meyer telephoned the alarm from the home of Patrolman Carrigan, who lives near by, he then awoken the Albert family who were asleep upstairs.

both familys were taken in for the night by friends, building is covered by insurance. Patrolman Baker and Schrampf assisted at the scene
